UNL INTRAMURAL SPORTS
2008 - 2009
ATHLETES OF THE YEAR

Congratulations.
PAT SCHARTZ MEMORIAL FUND
NOW FULLY ENDOWED

TO DATE
As of Fall 2009 Michalla Schartz and daughters Rachel and Leah donated the remaining $10,000 to complete the requirements of a fully endowed fund. This great achievement will provide scholarships of roughly five percent (5%) or $500 annually to Intramural Sports. From the Schartz family generosity of donating $20,000 over the last year and $2,000 from independent sources have now made this fund fully endowed for future Intramural Sports student staff.

HISTORY
Pat Schartz Memorial fund was established in 2008 and is a great opportunity to give back to the teams and officials that make the program happen. This fund is in memoriam of Pat Schartz who was an Omaha native who graduated from UNL in 1989. During his time at UNL, Pat was active in intramural sports as both a participant and an official. After graduation, Pat continued his passion for officiating as an umpire/referee for high school softball, baseball, and football with the Nebraska School Activities Association (NSAA) and for college softball with the Big XII and Missouri Valley athletic conferences. After Pat passed away in November 2002, the annual pre-season intramural softball tournament at UNL was renamed the Pat Schartz Memorial Tournament in his honor.

In giving the gift, Michalla said that she wanted for “our [daughters] to know what Pat really enjoyed.”

THANKS
UNL Campus Recreation thanks Michalla, Rachel, and Leah for their generous donation that both honors Pat and benefits the students of Intramural Sports.
