

CAMPUS RECREATION ADVISORY COUNCIL

Dear Nebraska Student,

Thank you for your interest in being a representative for the 2019–2020 Campus Recreation Advisory Council (CRAC). We look forward to reviewing your application and visiting with you in the near future.

Student involvement is vital to Campus Recreation, as well as having excellent programs, services and facilities. The purpose of the council is to improve the offerings and facilities of Campus Recreation. CRAC members have responsibilities that may include, but are not limited to:

- *Advise the Campus Recreation staff of needed additions/improvements to recreation facilities, programs, and services;*
- *Advise Campus Recreation staff as to changes in the interpretation of rules and policies governing specific recreation areas;*
- *Assist in developing Campus Recreation's fiscal year budget requests;*
- *Serve as a sounding board for all Campus Recreation areas;*
- *Assist in promoting activities and events;*
- *Hear cases, judge the validity and decide on the appropriate action to be taken on all appeals forwarded to it by the Director of Campus Recreation.*

Teamwork is a large component of the council; therefore, your role will be an essential factor in the success of CRAC. In every meeting you will be expected to respond and contribute to other council members' and/or Campus Recreation staff members' ideas and thoughts. Attendance is very important because each meeting reflects and builds on previous meetings. The council also has a one-day autumn retreat on Sunday, September 15, 2019 for which attendance is required.
