II. Open Forum and Announcements:

Amy Lanham shared with the council that Campus Recreation is celebrating 100 years for the 2020-2021 academic year. Intramural Sports as we know them at the University of Nebraska began in 1920 with the help of Director Fred Luehring. Our Centennial Celebration will display posters, include a 100 years graphic element on the intramural sports championship t-shirts, student name tags and hopefully in the spring semester we will be able to host several events.

Mark Joekel, Associate Director for External Relations & Sponsorships came to the meeting tonight and introduced himself to the council. A few of Mark's responsibilities are technology, marketing, alumni outreach, and sponsorships.

Comments & Suggestions included discussion on how we will no longer have a Scooter's in the Recreation & Wellness Center. It was closed this summer due to not enough traffic. We also discussed the possibility of creating an entry from the Recreation & Wellness Center to the adjacent outdoor activity space in order to better monitor access.
