

Campus Recreation Advisory Council

Meeting Minutes

Zoom Meeting ID: 965 8397 2084

Tuesday, March 23, 2021; 5:00 p.m.

I. Secretary Brooklyn Fiddelke called roll

Present: Ben Aniello, Jack Aniello, Kelcey Buck, Nolan Casey, Japhet Dushimeyesu, Brooklyn Fiddelke, Ethan Forcade, Aime Leandre, Taylor Schendt, Jenn Sheppard, Eli Soell, Amy Lanham (Advisor), and Stan Campbell (Director)

Absent: Aline Abayo, Andromede (Andy) Uwase, Monica Babcock (excused), Bella Breck, Ellis Johnson

II. President Taylor Schendt called the meeting to order at 5:05 p.m.

III. Review and Approval of March 9, 2021 Meeting Minutes

Ethan Forcade made and Nolan Casey seconded a motion to accept the March 9 meeting minutes. Hearing no objection, President Schendt declared the motion passed.

Nolan Casey made and Ethan Forcade seconded a motion to adjust our meeting agenda to allow the representatives from the Spikeball Club to present their request prior to open forum and announcements. The motion received unanimous approval.

IV. New Business

- A. Spikeball Club representatives Holden Cave, Blake Branvold, and Max Radlicz presented a recommendation request for the club to be allowed to join the Sport Clubs Council.

Goals of the club include:

1. Having the club up and running by April, 23, 2021
2. Recruit 30 active members by the end of the semester (currently have 15)
3. Scrimmage teams from schools in the Big 10 and/or the established zone.

The club holds biweekly executive team meetings, practices and team bonding events. They will fundraise to pay for travel and Spikeball Sets. The group is excited to set up the club as the popularity of Spikeball is increasing exponentially. Team members are not currently paying dues, but they did mention that if Spikeball becomes an official club and begins to travel they will consider charging member dues of \$10-\$15.

Kelcey Buck made and Aime Leadre seconded a motion to recommend the Spikeball Club be admitted to the Campus Recreation Sport Clubs Council. The motion received unanimous approval.

V. Open Forum and Announcements:

- A. Committee for Fee Allocation Update

The FY2022 Campus Recreation Operating Budget and the Repair and Improvement of Campus Recreation Facilities Budget both received approval at

the most recent Committee for Fee Allocation (CFA) meeting. Both budgets will now go to the ASUN Senate for discussion and a vote.

B. Revise signage by the basketball courts

Stan Campbell presented the proposed revised signage for indoor open recreation basketball and asked the council for feedback. The council agreed the revised signs were understandable and would help prevent further confusion about the rules included with open rec basketball at both of the recreation centers.

VI. Committee Reports:

A. Committee Reports for Spring Semester

1. Sport Programs

- Aaron Dueker received the NIRSA Region V Award of Merit which is award to an individual who has shown exceptional performance or dedication to NIRSA and collegiate recreation.
- They have been able to expand the activities offered, such as basketball and soccer, which were two sports that students have shown a lot of interest in and they both have been very popular thus far.
- An immediate challenge is hiring for the future with people graduating or leaving.
- They are looking at ways to expand and plan for more activities opening up in the future and also creating a safe, fun, and educational environment for summer activities. Specifically, Husker Kids and Husker Adventures Summer Camps with the first session of eight sessions scheduled to begin June 7-11.
- The department has been impacted by the pandemic by not being able to offer some previous activities, but it opened doors for other popular activities. This will help expand what Sport Programs can offer in the future, such as E-sports.

2. Strength Training & Conditioning.

- Were flexible with expanding the activity timeframe from 50 minutes to 80 minutes. This gives the people who make reservations for the strength training center a sense of normality during the pandemic.
- The biggest struggle is having adequate space for both strength facilities, as they would like to be able to accommodate more students than they are currently capable of doing.
- The department is planning to add more student activities/events in collaboration with other departments in the near future.

- Capacities have been more lenient in the past compared to now due to the pandemic. Josh Bruno is trying to find that middle ground for the maximum amount of people in the gym area.
- COVID-19 restrictions and protocols have improved the cleanliness of the work out spaces.

VII. New Business:

A. Campus Recreation Hour Adjustments

The council reviewed the proposed summer hours for all recreation buildings and suggested that over Memorial Day and Independence Day weekends, hours of operation be reduced to 9 a.m.-5 p.m. at the Campus Recreation Center, close the Recreation & Wellness Center, and 12 noon-6 p.m. at the Outdoor Adventures Center (closed May 31 and July 4).

B. Poll of meeting in person beginning in April

The council filled out a quick poll re. the end of the semester social and in person meetings.

VIII. Motion to Adjourn

Ethan Forcade made and Aime Leandre seconded a motion to adjourn the meeting. Without objection, the motion was approved. The meeting was adjourned at 6:10 p.m.

Respectfully Submitted by,

Brooklyn Fiddelke, Secretary
