TWO-ON-TWO BASKETBALL RULES

Current National Federation basketball rules shall govern play with exceptions noted below:

1. Contestants will be expected to furnish their own basketball or check out a ball from the Intramural Staff Assistant with a current UNL photo I.D. card. Basketballs are also available in room 34 of the Campus Recreation Center. A current UNL photo I.D. must be shown before each participation.

2. One game will be played to twenty-one (21), games must be won by two (2) points.

3. The winning team shall be the first to score 21 points (two and three point goals). In co-rec, a field goal by a male counts 2 points and a field goal by a female counts 3 points; and a three-point goal by a male counts 3 points and a three-point goal by a female counts 4 points.

5. Each player will be expected to call their own fouls and violations. If a foul is called during the course of the game, the ball will be checked with the opponent, and then play shall continue. Shooting fouls will be administered the same way.

6. There is no time limit on games. No time-outs are allowed.

7. A coin flip shall decide first possession.

8. After obtaining possession of the ball following a score, missed shot (including an air ball), or rebound, the ball must be taken back to the "top of the key" extended or beyond the 3-point mark before a basket can be scored (top of the key = top of the circle). Failure to do so will result in the other team gaining possession of the ball.

9. After scoring, the opposing team gains possession of the ball. Check the ball with the opponent after each score. The ball may be dribbled in off the check.

10. The half-court line and all other boundary lines will be considered out of bounds.

11. Players must check in with the Intramural Staff Assistant at least 15 minutes prior to their scheduled playing time.

12. Teams must complete a scorecard and sign it after each match. A disclaimer should also be completed. Be sure to include first and last names, organization, and match score (see Intramural Staff Assistant). Winning teams are responsible for reporting the game results to the Intramural Staff Assistant on duty.
