h) Referee's timeout (starts at referee's discretion).
i) Touchback (starts on snap).
j) Team A is awarded a new series (depends on previous play).
k) Team B is awarded a new series (starts on the snap).
l) Either team is awarded a new series following a legal punt (starts on the snap).

n) Team attempting to consume time illegally (starts on the snap).
o) Inadvertent whistle (starts on the ready).

Section 3. Tie Game

Article 1. Regular Season.
In case of a game ending in a tie score, the game shall end and be declared a draw. Overtime will not be played during the regular season.

Article 2. Pre/Post Season Tournaments.
In case of a game ending in a tie score, the officials shall bring all players and coaches of both teams to the center of the field. They will discuss overtime procedures and answer all questions prior to the coin toss. After the meeting, field captains shall remain for a coin flip to determine the options as in the start of the game. There will be only one coin flip during the overtime. Field captains will alternate choices if additional overtime periods are played. The winner of the toss shall be given options of offense, defense, or direction. All overtime periods are played toward the same goal line. Each team will be given 4 downs from the 10-yard line. The object will be to score a touchdown. If the first team which is awarded the ball scores, the second team will still have 4 downs to attempt to win the game.
Tries (extra points) will be attempted and scored as indicated in Rule 8. When B secures possession, the ball is dead and the series is over.

Article 3. Fouls and Penalties.
They are administered similar to the regular game. Team A shall be awarded a new series of 4 downs when the penalty for roughing the passer is accepted. Dead ball fouls following a touchdown are penalized on the try. Live ball fouls committed by either team after Team B gains possession during a try or an overtime shall be enforced at the succeeding spot. Dead ball fouls following a successful try will be penalized from the succeeding spot, the Team B 10 yard line, if accepted. Note: The goal line shall always be the zone line-to-gain in overtime.

Section 4. Time Outs.
The Referee shall declare a time-out when he/she suspends play for any reason. Each time-out shall be charged either to the Referee or to one of the teams.

Article 2. Referee's Time-Outs.
The Referee shall declare an official's time-out whenever a touchdown, touchback, or safety is made, or when an excess time-out is allowed.

Article 3. Discretionary Time-Out.
The Referee may declare an official time-out for any contingency not elsewhere covered by the Rules. If a time-out is for repair or replacement of player equipment which becomes illegal through play and is considered dangerous to other players, the Referee shall charge himself/herself. The Referee shall charge himself/herself when an injured player is designated.

Each team is entitled to one charged time-out during each half without penalty. The time-out can be requested by either a player or head coach. If the ball is dead and a team has not exhausted its charged time-outs, the Referee shall allow a time-out and charge that team. Unused time-outs do not carry over to succeeding periods. No time-outs are allowed in the overtime period. NOTE: The referee will communicate the number of team time-outs remaining for each team to the Team A and B Captains after each time-out is taken.

Article 5. Length of Time-Outs.
A charged time-out requested by any player shall not exceed one minute and can be shortened if both teams are ready. Other time-outs may be longer only if the Referee deems it necessary to remove an injured player.

Article 6. Coach-Referee Conference.
When a team requests a charged time-out for a misapplication or misinterpretation of a rule, the Referee will confer with the team captain or coach. The request must be made prior to the time the ball becomes alive following the play to be reviewed, unless the half has officially ended. If the official changes his/her ruling, it is an official's time-out. If the ruling is not changed, it is a charged time-out. If the team has used its one-time-out, a delay of game penalty will be assessed.

Article 7. Notification.
The Referee shall warn both teams five seconds before a charged time-out expires. The team then has 25 seconds to put the ball in play. When one time-out has been charged to a team in the half, the Referee shall notify both captains and both coaches.

Article 8. Authorized Conferences.
There are two types of authorized conferences permitted during charged time-outs, television/radio time-outs, and following a score or try:

a) One or more players and one or more coaches may meet directly in front of the team box within 5 yards of the sideline.

b) One coach may enter the field at his/her team's huddle on the inbounds hash mark to confer with his/her players.
Article 9. Injured Player.
An injured or apparently injured player who is discovered by an official while the ball is dead, shall be replaced for at least 1 down unless the halftime or overtime intermission occurs. A player who is bleeding, has an open wound, or has any amount of blood on the uniform shall be considered an injured player. Such players may not return to the game until the bleeding has stopped and the wound properly covered, and soiled clothing has been treated with a bleach disinfectant.

Article 10. Concussion.
Any player who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the game and shall not return to play until cleared by an appropriate health care professional.

Section 5. Delay of Game
The ball must be put in play promptly and legally and any action or inaction by either team which tends to prevent this is delay of the game. This includes:

a) Consuming more than 25 seconds in putting the ball in play after it is ready for play.
b) Putting the ball in play before it is declared ready for play.
c) Deliberately advancing the ball after it has been declared dead.
d) Conducting a coach-referee conference after all permissible charged time-outs for the coach’s team have been used, and during which the Referee is requested to reconsider the application of a rule and no change results. Penalty: 5 yards from spot of the snap.

Section 6. Illegally Conserving or Consuming Time
When a team attempts to conserve or consume time illegally, the Referee shall order the clock started or stopped. Additionally, when there are less than 2 minutes remaining in the game, the offended team of any foul will have the option to start the game clock on the snap when it would have normally started on the ready. NOTE: If in doubt, apply conversing/consuming time. Penalty: Dead Ball Foul, Delay of Game, 5 yards from the succeeding spot (S7 and S21).

Section 7. Substitutions
Article 1. Eligible Substitutes.
A substitution can either be a dead ball or live ball foul. No substitute shall enter during a down. Between downs any number of eligible substitutes may replace providers the substitution is completed by having the replaced players off the field before the ball becomes alive. An incoming substitute must enter the field directly from his/her team area. A replaced player must leave the field immediately at the sideline nearest his/her area prior to the ball being snapped. An entering substitute shall be on his/her team’s side of the neutral zone when the ball is snapped. Penalty: Illegal Substitution, 5 yards. If it is a dead ball foul, 5 yards from the succeeding spot.

Play. Co-Rec Team A has 9 players on the field. Male A9 realizes this and runs toward his end line to get off the field: a) He steps over the end line prior to the snap; or b) He steps over the end line after the ball is snapped. Ruling. Illegal Substitution. In a) Dead Ball Foul and b) Live Ball Foul.

Article 2. Legal Substitutions.
During the same dead ball interval, no substitute shall become a player and then withdraw, and no player shall withdraw and then re-enter as a substitute unless a penalty is accepted, a dead ball foul occurs, there is a charged time-out, or period ends. Penalty: Illegal Substitution, Dead ball foul, 5 yards from previous spot.

RULE 4. BALL IN PLAY, DEAD BALL, OUT-OF-BOUNDS

Section 1. Ball in Play - Dead Ball
**Article 1. Dead Ball Becomes Live.**
A dead ball, after having been declared ready for play, becomes a live ball when it is snapped legally.

**Article 2. Ball Declared Dead.**
A live ball becomes dead and an official shall sound the whistle or declare it dead when:

a) When it goes out-of-bounds.

b) When any part of the runner other than a hand or foot touches the ground.

c) When a touchdown, touchback, safety, or successful try is made.

d) When the ball strikes the ground following first touching by K.

e) When a player of the kicking team catches a punt or any muffed punt which is beyond the neutral zone; when an untouched punt comes to rest on the ground and no player attempts to secure it.

f) When a forward pass strikes the ground or is caught simultaneously by opposing players.

g) When a backward pass or fumble by a player touches the ground or is caught simultaneously by opposing players. A ball snapped from scrimmage, which hits the ground before or after getting to the intended receiver, is dead at the spot where it hits the ground. NOTE: If in doubt, the snap close to the ground remains alive.

h) When a forward pass is legally completed, or a loose ball is caught by a player on, above, or behind the opponent's goal line.

i) When a runner has a flag belt removed legally by a defensive player. A flag belt is removed when the clip is detached from the belt, is torn into more than 1 piece, or the flag is torn off the belt. If in doubt, the flag belt has been pulled.

j) When a runner is legally tagged with one hand between the shoulders and knees, including the hand and arm, by an opponent once the flag belt is no longer attached.

k) When a passer is deflagged/tagged prior to releasing the ball. Note: If in doubt as to the release or not, the ball is released.

l) When a muff of a punt strikes the ground.

m) K's punt breaks the plane of R's goal line.

n) K's punt breaks the plane of R's goal line.

o) A prosthetic device becomes dislodged from a player who is in possession of the ball.

p) When an official inadvertently sounds his/her whistles during a down or during a down in which the penalty for a foul is declined, when:

1. The ball is in player possession - the team in possession may elect to put the ball in play where declared dead or replay the down.

2. The ball is loose from a fumble, backward pass, or illegal forward pass - the team in possession may elect to put the ball in play where possession was lost or replay the down.

3. During a legal forward pass or a punt - the ball is returned to the previous spot and the down replayed.

   If a foul occurs during any of the above downs, an accepted penalty shall be administered as in any other play situation. When the foul is accepted, disregard the inadvertent whistle. Note: There is no time added to the game clock during a play if there is an inadvertent whistle.
Section 2. Succeeding Spot.

Article 1. Placement of Dead Ball.
If the ball becomes dead between the hash marks, the ball shall be placed at the approximate spot. If the ball becomes dead in a side zone, place the ball at the nearest hash mark at the corresponding yard line.

Article 2. Anywhere Between the Hash Marks.
Before the ready for play signal, A may designate the spot from which the ball is put in play anywhere between the hash marks: start each half; for a Try; following a touchback, safety, Try, and awarded catch after a punt; for the start of each series in overtime.

Section 3. Out-of-Bounds

A player or other person is out-of-bounds when any part of that player touches anything other than another player or a game official, who is on or outside the sideline or endline.

A ball in player possession is out-of-bounds when the ball touches anything, other than another player or game official, which is on or outside a sideline or end line.

Article 3. Loose Ball Out-of-Bounds.
A loose ball is out-of-bounds when it touches anything, including a player or game official, which is out-of-bounds.

RULE 5. SERIES OF DOWNS, NUMBER OF DOWNS, AND TEAM POSSESSION AFTER PENALTY

Section 1. A Series - How Started, How Broken, How Renewed

Article 1. A Down Is a Unit.
A down is a unit of the game which starts with a legal snap and ends when the ball next becomes dead. Between downs is any period when the ball is dead.

Article 2. Series of Downs.
A team in possession of the ball shall have four consecutive downs to advance to the next zone by scrimmage. Any down may be repeated if provided for by the rules.

The zone line-to-gain in any series shall be the zone in advance of the ball, unless distance has been lost due to penalty or failure to gain. In such case, the original zone in advance of the ball at the beginning of the series of downs is the zone line-to-gain. The most forward point of the ball, when declared dead between the goal lines, shall be the determining factor.

Article 4. Awarding a New Series.
A new series of downs shall be awarded when a team moves the ball into the next zone on a play free from penalty; or a penalty against the opponents moves the ball into the next zone; or an accepted penalty against the opponents involves an automatic first down; or either team has obtained legal possession of a ball as a result of a penalty, punt, touchback, pass interception, or failure to gain the zone in advance of the ball.

Article 5. Incorrect Down.
Until a new series is awarded, the Referee shall have authority to correct an error in the number of downs.

Section 2. Down and Possession After a Penalty

Article 1. Penalty Resulting in First Down.
After a penalty which leaves the ball in possession of a team beyond its zone line-to-gain, or when a penalty stipulates a first down, the down and distance established by that penalty shall be first down with next zone line-to-gain.

Article 2. Foul Before Change of Team Possession.
After a distance penalty between the goal lines incurred during a down and before any change of team possession during that down, the ball belongs to Team A. The down shall be repeated unless the penalty also involves loss of down, or leaves the ball on or beyond the zone line-to-gain. If the penalty involves loss of down, the down shall count as one of the four in that series.

**Article 3. Foul After Change of Team Possession.**
After a distance penalty for a foul committed during a down and after team possession has changed during that down, the ball belongs to the team in possession when the foul occurred and the down and distance established by that penalty shall be first down with zone line-to-gain.

**Article 4. Penalty Declined.**
If a penalty is declined, the number of the next down shall be whatever it would have been if that foul had not occurred.

**Article 7. Rule Decisions Final.**
No rule decision may be changed after the ball is next legally snapped.

---

**RULE 6. KICKING THE BALL**

**Section 1. Punt**

**Article 1. Legal Punt.**
A legal punt is a kick made in accordance with the rules. Quick kicks are illegal. 
*Penalty: Illegal Kick, 10 yards.*

**Article 2. Punt.**
Prior to making the ball ready for play on the fourth down, the Referee must ask the Team A captain if he/she wants to punt. The Referee must communicate this decision to the Team B captain and the other officials. The Team A captain may request a punt on any down. After such announcement, the ball must be punted. Exception: If a) a Team A or B time-out is called, b) the period ends, c) a foul occurs, or d) an inadvertent whistle is blown anytime prior to or during this down after the Team A's captain's decision which results in the kicking team having the right to repeat the down again.

**Play. 4th and 22.** The Referee asks the Team A captain if he/she wants to punt or “go for it.” The Team A captain delays his/her decision. **RULING:** The Referee can enforce “trying to consume time” and stop the game clock, if he/she thinks the Team A captain is using delaying tactics.

**Article 3. Crossing the Scrimmage Line.**
Neither K nor R may advance beyond their respective scrimmage line until the ball is kicked. *Penalty: Illegal Procedure, 5 yards.*

**Article 4. Punting the Ball.**
After receiving the snap, the kicker must kick the ball immediately and in a continuous motion. *Penalty: Illegal Procedure, 5 yards.*

**Article 5. After being punted.**
Once the ball is punted, any R player may block the kick. If the blocked punt hits the ground, it is dead at that spot. If the punt is blocked by any R player and then caught by any K player behind the line of scrimmage line (first ball spotter-orange), they may advance. R may advance the punt anywhere in the field of play or the end zone. A K player cannot punt the ball to himself/herself or any other K player. Team K may punt the ball once only per down. *Penalty: Illegal Kicking, 10 yards.*

**Article 6. Punt Crosses K’s Scrimmage Line.**
When a punt, which has crossed K’s scrimmage line touches a player from either team and then hits the ground, the ball is dead and belongs to the receiving team. If it hits a player of the receiving team and then is caught in the air, it can be advanced by the receiving team. If the ball hits an R player beyond R’s scrimmage line and is
then caught by the kicking team (beyond R’s scrimmage line), the ball is dead and belongs to K, and a new series begins for K.

**Article 7. First Touching.**
If any player touches a punt after it crosses K’s scrimmage line (first ball spotter-orange) and before it is touched there by any R player, it is referred to as “first touching.” R may take the ball at that spot or may choose to have the ball put in play as determined by the action which follows first touching. The right of R to take the ball at the spot of first touching by K is cancelled if R touches the punt and thereafter during the down commits a foul or if the penalty is accepted for any foul committed during the down.

**Article 8. Punt Out-of-Bounds Between the Goal Lines or at Rest.**
If a punt goes out-of-bounds between the goal lines or comes to rest inbounds untouched and no player attempts to secure it, the ball becomes dead and belongs to the receiving team at that spot.

**Article 9. Punt Behind the Goal Line.**
When a punt breaks the plane of R’s goal line, it is a touchback unless R chooses the spot of 1st touching by K.

**Section 2. Kick Catch Interference**
**Article 1. Interference.**
While any free kick or protected scrimmage kick is in flight beyond K’s scrimmage line, K shall not touch the ball nor obstruct R’s path to the ball. This prohibition does not apply if the act is after the punt has been touched by R. K may catch, touch, muff, or bat a punt in flight beyond K’s scrimmage line if no R player is in position to catch the ball. **Penalty: Kick Catch Interference, 10 yards from the spot of the foul and a first down (S33).**

**Play.** A free kick is in flight and a) K-1 touches the ball with R-1 in position to catch the ball, b) K-3 is in the path of R-2’s attempt to catch the ball, c) K-4 deflags R-2 before he/she touches the ball. **Ruling.** In a), b), and c), kick catch interference.

**Section 3. Signals**
**Article 1. Signal.**
Players shall ignore any signals given by the kickers or receivers. The ball remains alive.

**RULE 7. SNAPPING, HANDING, AND PASSING THE BALL**

**Section 1. The Scrimmage**
**Article 1. The Start.**
All plays from scrimmage must be started by a legal snap next to the orange ball spotter. The ball may moved with approval by the referee due to poor field conditions.

**Article 2. Ball Responsibility.**
Team A (offense) players are responsible for retrieving the ball after a scrimmage down. The snapper will bring it from the huddle to the Team A scrimmage line (first ball spotter-orange). A towel may be placed under the ball regardless of weather conditions.

**Article 3. Stances.**
Players may use a 2, 3, or 4-point stance.

**Section 2. Prior To The Snap**
**Article 1. Encroachment.**
Following the ready for play and until the snap, no player on Team B may encroach, touch the ball, nor may any player contact opponents or in any other way interfere with them. This includes standing in the neutral zone to give defensive signals, or
shifting through the zone. After the snapper has placed his/her hand(s) on the ball, it is encroachment for any player to break the scrimmage line plane, except for the snapper’s right to be over the ball. **Penalty:** Dead Ball Foul, Encroachment, 5 yards from the previous spot.

During the interval between scrimmage downs when two or more consecutive encroachment fouls are committed by Team B, the penalty will be 10 yards for the subsequent encroachment fouls.

**Play.** After the ball is marked ready for play by the Referee, B-4 charges into the neutral zone beyond B's scrimmage line (second ball spotter-gold), to give Team A a first down. **Ruling.** Dead ball foul for encroachment, 5 yards. The penalty is declined by Team A. Team B is informed by the Referee that if this occurs again during the same dead ball interval, a 10-yard penalty will be enforced, if accepted.

**Article 2. False Start.**
No Team A player shall make a false start. A false start includes any action that simulates the start of a snap. An infraction of this rule may be penalized whether or not the ball is snapped and the penalty for any resultant encroachment shall be cancelled. **Penalty:** Dead Ball Foul, False Start, 5 yards from the previous spot.

**Article 3. Snap.**
The snapper, after assuming the position for the snap and adjusting the ball, may neither move nor change the position of the ball in a manner simulating the beginning of a play until it is snapped. An infraction and the penalty for any resultant encroachment or contact foul by an opponent shall be cancelled. **Penalty:** Dead Ball Foul, Illegal Snap, 5 yards.

**Section 3. Position and Action During the Snap**

**Article 1. Legal Position.**
Any time at or after the ball is ready for play, each Team A player must momentarily be within 15 yards of the ball before the snap. NOTE: If a B player covers an A player within 5 yards of the sideline, it is not a foul. **Penalty:** Illegal Formation, 5 yards.

**Article 2. Minimum Line Players.**
The center is the only person required to be on the line of scrimmage.

**Article 3. Motion.**
One Team A player may be in motion, but not in motion toward the opponent's goal line at the snap. Other Team A players must be stationary in their positions without movement of the feet, body, head, or arms. Team A must have at least 4 players (5 players in Co-Rec) on their scrimmage line at the snap. A player in motion is not counted as one of the 4 or 5 on the scrimmage line. **Penalty:** Illegal motion, 5 yards.

**Article 4. Direct Snap.**
The player who receives the snap must be at least two yards behind the Team A scrimmage line. Direct snaps are illegal. The distance is determined by the point at which the ball is first touched following the snap. **Penalty:** Illegal Formation, 5 yards.

**Article 5. Shift.**
In a snap preceded by a huddle or shift, all Team A players must come to a complete stop and remain stationary in legal position without movement of feet, body, head, or arms for at least one full second before the snap. **Penalty:** Illegal Shift, 5 yards.

**Section 4. Handing the Ball**

**Article 1. No Restrictions.**
Any player may hand the ball forward or backward at any time.
Section 5. Male Runner.

An A male runner cannot advance the ball through A’s scrimmage line (1st ball spotter- orange). There are no restrictions:

A.) During a run by a male runner once the ball has been touched by any player beyond the A or K scrimmage line.
B.) During a run by a female runner.
C.) After a change of team possession.
D.) After a legal forward pass.

Penalty: Illegal Advancement, 5 yards from the previous spot (S19).

Note: See 7-7-3 Illegal Reception—Co-Rec Rule.

Section 6. Backward Pass and Fumble

Article 1. When Legal.

A runner may pass the ball backward or lose player possession by a fumble at anytime except if intentionally thrown out-of-bounds to conserve time. Penalty: Illegal Pass, 5 yards and loss of down. Referee will start the clock on the ready for play. NOTE: If in doubt, the pass is backward.

Article 2. Caught or Intercepted.

A backward pass or fumble may be caught in flight inbounds by any player and advanced. A player may not throw an untouched backward pass to him/herself.

Article 3. Simultaneous Catch by Opposing Players.

If a backward pass or fumble in flight is caught simultaneously by members of opposing teams inbounds, the ball becomes dead at the spot of the catch and belongs to the offensive team.

A backward pass or fumble which goes out-of-bounds is dead. If the backward pass/fumble goes out of bounds between the goal lines, the ball belongs to the offensive team:

A. At the out-of-bounds spot if it is behind the spot of the pass or fumble, or
B. At the spot of the pass or fumble if it goes out of bounds beyond the spot of the pass or fumble.

If out of bounds behind a goal line, it is a touchback or safety.

Article 5. Ball Dead When it Hits Ground.

A backward pass or fumble which touches the ground is dead. If the backward pass/fumble touches the ground between the goal lines, the ball belongs to the offensive team:

A. At the spot where it touches the ground if it is behind the spot of the pass or fumble, or
B. At the spot of the pass or fumble if it touches the ground beyond the spot of the pass or fumble.

Section 7. Legal and Illegal Forward Pass

All players are eligible to touch or catch a pass. During a scrimmage down and before team possession has changed a forward pass may be thrown provided the passer’s feet are behind Team A’s scrimmage line when the ball leaves the passer’s
hand. Only one forward pass can be thrown per down. NOTE: If in doubt, the passer is behind the Team A's scrimmage line.

**Play.** A-1 runs with the ball beyond the scrimmage line and throws a backward pass from Team A's 31 yard line which is first touched and caught by A-6 at the Team A 33 yard line. **Ruling.** Legal play. The initial direction of a pass determines whether the pass is forward or backward. While a backward pass may have its flight path altered by wind or forward player momentum and subsequently be caught beyond the point of release, this does not change the status of the pass. **Play.** QB A-1 throws a legal forward pass which is possessed by airborne A-2. Prior to returning to the ground, A-2 throws the ball forward or backward to A-3 who runs for a touchdown. **Ruling.** Legal play. The pass remains a pass until A-2 alights on the ground for a completion. Since A-2 is airborne, he/she may bat or throw the pass in any direction.

**Article 2. Illegal Forward Pass.**
A forward pass is illegal if:

a) The passer's foot is beyond Team A's scrimmage line when the ball leaves his/her hand.

b) Thrown after team possession has changed during the down.

c) Intentionally thrown to the ground or out-of-bounds to save loss of yardage or conserve time.

d) There is more than one forward pass per down.

e) If a passer catches his/her untouched forward pass. **Penalty:** Illegal pass, 5 yards from the spot of the foul and a loss of down if by Team A before team possession changes during a scrimmage down.

**Article 3. Illegal Reception – Corec Rule.**

a) The term "open" (S40) means any player can complete a legal forward pass to any other player. The term "closed" (S41) means a player who is a man may NOT complete a legal forward pass to any other player who is a man. NOTE: All illegal forward pass fouls are classified as fouls during a running play. Thus, illegal forward passes do not change the open/closed status of a down.

b) The 1st down of each half or overtime possession shall be open. The 1st down of a new series following a team change of possession shall be open.

c) If the crew of officials erroneously indicate the open/closed status of a down, the play is nullified and the down will be repeated.

d) During the offensive team's possession there may not be 2 consecutive legal forward pass completions from a player who is a man to a receiver who is a man. This Rule applies to the Try.

e) If a passer who is a man completes a legal forward pass to a receiver who is a man, the next legal forward pass completion must involve either a passer who is a woman or receiver who is a woman for positive yards. The spot where the ball becomes dead by Rule must be beyond A's scrimmage line (1st ball spotter—orange). There is NO foul for a receiver who is a woman being tagged or deflagged behind A's scrimmage line. The next legal forward pass completion remains closed.

f) A legal forward pass caught jointly by teammates who are a man and a woman is considered a reception by a woman.

g) There are no other restrictions concerning a passer who is a man completing legal forward passes to a receiver who is a woman, or a woman to a woman, or a woman to a man.
h) If a receiver who is a man catches a pass from a passer who is a man on a closed play, it is a foul for Illegal Reception. Whether the penalty is accepted or declined, the next down shall remain closed.

i) Any other foul, whether accepted or declined, shall have no effect on whether the next legal forward pass completion is open or closed.

Penalty: Illegal Reception, 5 yards from the previous spot, and a loss of down (S19 and S9). The next down is closed.

When an illegal forward pass touches the ground or goes out-of-bounds, the ball becomes dead and belongs to the passing team at the spot from where the pass was thrown, unless a new series of downs has been created. In such case, the ball belongs to the passing team if after the enforcement of the penalty, the ball is left in advance of the zone line-to-gain, or belongs to the opponents if the ball, after the penalty, did not make the next zone line-to-gain and the foul occurred during the fourth down. If a player catches an illegal forward pass, the ball continues in play until declared dead.

Section 8. Completed or Intercepted Passes

Article 1. Pass Caught or Intercepted.

A forward pass is completed when caught by a member of the passing team inbounds. A forward pass is intercepted when caught by a member of the defending team inbounds. It is counted as a completion as long as the first part of the person to make contact with the ground after the catch touches inbounds.

Article 2. Simultaneous Catch by Opposing Players.

If a forward pass is caught simultaneously by members of opposing teams inbounds, the ball becomes dead at the spot if the catch and belongs to the offensive team.

Section 9. Incomplete Passes

Article 1. Becomes Dead.

When a legal forward pass touches the ground or anything out-of-bounds, it becomes dead, is ruled as an incomplete pass.

Section 10. Forward Pass Interference

Article 1. Interference.

During a down in which a legal forward pass is thrown, contact which interferes with an eligible receiver who is beyond the neutral zone is pass interference unless it occurs when two or more eligible receivers make a simultaneous and bona fide attempt to reach, catch, or bat a pass. It is also pass interference if an eligible receiver is deflagged/tagged prior to touching the ball on a pass thrown beyond Team A's scrimmage line.

Article 2. Offensive Pass Interference.

After the ball is snapped, and until it has been touched by a receiver, Team A shall not interfere beyond the line of scrimmage. Penalty: Offensive Pass Interference, 10 yards from the previous spot.

Article 3. Defensive Pass Interference.

After the pass is thrown, and until it is touched, Team B not interfere beyond the line of scrimmage while the ball is in flight. Penalty: Defensive Pass Interference, 10 yards from the previous spot. If the pass interference by either player is intentional or unsportsmanlike, his/her team shall be penalized an additional 10 yards.

Contact by B that is obviously away from the direction of the forward pass is not pass interference but may be a personal foul.
Article 5. Catchable/ Uncatchable.
Whether a pass is catchable or uncatchable has no bearing on offensive and
defensive forward pass interference.

RULE 8. SCORING PLAYS AND TOUCHBACK

Section 1. Communication
Article 1. Teams and Officials.
The Referee will communicate the current score to A and B captains and all officials
after each touchdown, Try, and safety. If there is a disagreement regarding the
current or final score, the Referee will make the final decision after consulting with
the other officials and, if available, the scorekeeper.

Section 2. Forfeited Game
Article 1. Forfeited Score.
The score of a forfeited game shall be: Offended Team-1, Opponent- 0. If the
offended team is ahead at the time of the forfeit, the score stands.

Section 3. Mercy Rule
Article 1. Two Minute Warning.
If a team is 19 or more points (25 or more in Co-Rec) ahead when the Referee
announces the two minute warning for the second half the game shall be over. If at
anytime in the second half a team (Men's, Women's or Co-Rec) goes down by 45 or
more the game is over. Prior to applying the mercy rule, there must be a down
free of any accepted live ball fouls.

Article 2. After Two Minute Warning.
If a team scores during the last two minutes of the second half extending the lead to
19 or more (25 or more in Co-Rec) the game shall end.

Section 4. Touchdown
Article 1. Touchdown Values.
During a Co-Rec game if a female scores a touchdown or if a female throws a legal
forward pass and a touchdown is scored by any Team A player, prior to a change of
possession, the point value is 9. All other touchdowns will count 6 points.

Article 2. How Scored.
It is a touchdown when a runner advances from the field of play so that the ball
penetrates the vertical plane of the opponent's goal line. It is a touchdown when a
loose ball is caught by a player while the ball is on or behind the opponent’s goal
line.

Article 3. Player Responsibility.
The player scoring must raise his/her arms so the nearest official can deflag the
player. If the player is not able to be deflagged and the official determines the flag
belt has been secured illegally, the score is disallowed. The player is disqualified.
Penalty: Personal Foul, 10 yards from the previous spot. If by Team A, loss of
down. If by Team B, automatic first down.

Section 5. Try = 1, 2, or 3 Points.
Article 1. Referee's Responsibility and Team's Choice.
The Referee must speak to the field captain only, asking him/her whether the try
shall be from the 3 or 10 or 20 yard line. Once the Team A captain makes the
choice, he/she may change the decision only when a charged Team A or B time-out
is taken. The value of the Try may not be changed if a dead ball foul occurs
after the ready for play signal, or if a live ball foul occurs during the Try. The
Referee will ask the scoring coach/captain where they would like the ball placed on
or between the hash marks. Enforcement of yardage penalties does not change the
value of the try. The points shall be awarded if the try results in what would have
been a touchdown.
Team A scores a touchdown and elects to attempt a 1 point conversion. Then after calling a charged time-out, elects to change and attempt a 2 point conversion. Ruling. Legal.

Article 2. 1, 2, or 3 Points.
An opportunity to score 1 point from the 3 yard line, 2 points from the 10 yard line, or 3 points from the 20 yard line by running or passing only shall be granted the team scoring a touchdown. NOTE: If a touchdown is scored on the last timed down of the second half, the Try is not attempted unless it will affect the outcome of the game or playoff qualifying.

Article 3. Try Begins and Ends.
The Try begins when the ball is marked ready for play. The Try ends when B secures possession, the Try is successful, or the ball becomes dead by rule.

Article 4. Next Play.
After a try, the next play shall be snapped by the opponent of the scoring team at their own 14 yard line, unless moved by penalty.

Section 6. Force and Responsibility
The force imparted by a player who punts, passes, snaps, or fumbles the ball shall be considered responsible for the ball's progress in any direction even though its course is deflected, or reversed, after striking the ground or after striking a player of either team. However, the initial force is considered expended and a new force is provided if a loose ball is illegally kicked or batted or it is contacted again after coming to rest.

Article 2. Responsibility.
The team responsible for a ball being on, above, or behind a goal line is the team whose player:
  a) Carries the ball to or across that goal line.
  b) Imparts to the ball an impetus which forces it to or across that line.
  c) Incurs a penalty which leaves the ball on or behind the line.

Section 7. Momentum, Safety, and Touchback
It is a safety when:
  a) A runner carries the ball from the field of play to or across his/her own goal line, and it becomes dead there in his/her team's possession;
  EXCEPTION: When a defensive player intercepts a forward pass, fumble, backward pass, or catches or recovers a punt between his/her 5 yard line and the goal line and his/her original momentum carries him/her into the end zone where the ball is declared dead in his/her team's possession or it goes out-of-bounds in the end zone, the ball belongs to defense at the spot where the pass was intercepted or the kick was caught. This is known as the momentum rule.
  b) A player forces a loose ball from the field of play to or across his/her goal line by his/her kick, pass, fumble, snap, muff, or bat, and the ball subsequently becomes dead there in his/her team's possession. This includes when the ball is declared dead on or behind their goal line. However, it does not apply to a legal forward pass which becomes incomplete.
  c) A player on offense commits any foul for which the penalty is accepted and measurement is from a spot in his/her end zone; or throws an illegal forward pass from his/her end zone and the penalty is declined in a situation which leaves him/her in possession at the spot of the illegal pass and with the ball having been forced into the end zone by the passing team.
  d) When a safety is scored the ball belongs to the defending team at its own 14 yard line unless moved by a penalty.
Article 2. Touchback.

It is a touchback when:

a) K’s punt breaks the plane of R's goal line.
b) The ball is out-of-bounds behind a goal line (except from an incomplete forward pass), when the ball becomes dead in possession of a player on, above or behind the player’s own goal line, or when the ball becomes dead not in possession on, above or behind the team's own goal line, and the attacking team is responsible.
c) After a touchback, the ball shall be snapped from the nearest 14 yard line, unless moved by penalty.

Play. B-1 intercepts a pass in his/her own end zone and is deflagged/tagged attempting to run the ball out of the end zone. Ruling. Touchback, B's ball. B-1 must take the ball from the field of play across its own goal line to have a safety situation.

Play. A-1 running for an apparent touchdown fumbles the ball on the Team B 3 yard line. The ball lands in the Team B end zone. Ruling: Touchback. The force which put the ball in the end zone was the fumble. The team whose goal line was involved shall put the ball in play on the 14 yard line by a snap.

******RULE 9. CONDUCT OF PLAYERS AND OTHERS

Section 1. Unsportsmanlike Conduct

No player shall commit any of the following non-contact acts during a period or intermission. Examples include, but are not limited to:

a) Abusive or insulting language.
b) Any acts of unfair play.
c) Using disconcerting acts or words prior to the snap in an attempt to interfere with A's signals or movements.
d) Intentionally kicking at any opposing player.
e) Intentionally kicking at the ball, other than during a legal kick.
f) Intentionally swinging an arm, hand or fist at any opposing player.
g) Leaving the field between downs to gain an advantage unless replaced or with permission of the Referee.
h) Participate while wearing illegal player equipment.

Penalty: Unsportsmanlike Conduct, 10 yards, and if flagrant, the offender shall be disqualified.

Article 2. Dead Ball Player Fouls.

When the ball becomes dead in possession of a player, he/she shall not:

a) Intentionally kick the ball.
b) Spike the ball into the ground.
c) Throw the ball high into the air.

Penalty: Unsportsmanlike Conduct 10 yards, and if flagrant, the offender shall be ejected.

There shall be no unsportsmanlike conduct by players, substitutes, coaches, or others subject to the Rules. Examples include, but are not limited to:

a) Attempting to influence a decision by an official.
b) Disrespectfully addressing an official.
c) Indicating objections to an official's decision.
d) Holding an unauthorized conference, or being on the field illegally.
e) Using profanity, taunting, insulting or vulgar language or gestures.
f) Intentionally contacting a game official physically during the game by persons subject to the rules.
g) Fighting an opponent.
h) Leaving the team area and entering the field during a fight.

*Penalty: Unsportsmanlike Conduct, 10 yards, and if flagrant, the offender shall be disqualified.*

**Article 4. Second Unsportsmanlike Foul.**
The second unsportsmanlike foul by the same player or non-player results in disqualification.

**Article 5. Third Unsportsmanlike Foul.**
A team that receives three unsportsmanlike penalties in the same game will be disqualified and the game will be terminated.

**Section 2. Unfair Acts**

**Article 1. Refusal to Play or Halving the Distance.**
If a team refuses to play within two minutes after ordered by the Referee, or if play is interfered with by an obvious unfair or unsportsmanlike act not specifically covered by the Rules, or if a team repeatedly commits fouls which can be penalized only by halving the distance to its goal line, the Referee may enforce any penalty he/she considers equitable, including the awarding of a score. For refusal to play, or for repeated fouls, the Referee shall, after one warning, forfeit the game to the opponents.

**Article 2. Unfair Acts.**
No player or nonplayer shall use verbiage or commit any act not in accordance with the spirit of fair play for the purposes of confusing the opponent. *Penalty: unfair act, live ball foul, 10 yards.*

*Play.* (a) A-2 shouts to the Referee “wet ball, wet ball” in an attempt to have B relax. A-2 the snaps the ball and play begins; (b) A-2 snaps the ball, but only 1 person leaves the scrimmage line. All other teammates stand up and yell at the person that the snap count was on 2. When B relaxes, A-1 throws the ball to the person who left the scrimmage line; (c) R-1 raises/waves his/her arm above his/her head during a punt in an attempt to confuse K; or (d) during the down B-1 yells at runner A-1 to throw him the ball.

*Ruling.* In (a), (b), (c), and (d), Unfair Act. Use of verbiage or acts to gain an unfair advantage. Penalize using All-But-One. *Play* (a) is a dead ball foul while (b), (c), and (d) are live ball fouls. *NOTE:* Voice inflection by the QB is not an unfair act.

**Section 3. Personal Fouls**

**Article 1. Player Restrictions.**
No player shall commit a personal foul during any period or intermission. Any act prohibited hereunder or any other act of unnecessary roughness is a personal foul. No player shall:

a) Strip or attempt to strip the ball from a player in possession by punching, striking or stealing (S38). *NOTE: A player who controls a pass with both feet off of the ground becomes a runner when the first part of the person touches the ground.*

b) Trip an opponent.

c) Contact an opponent who is on the ground.

d) Throw the runner to the ground.

e) Hurdle an opponent.

f) Contact an opponent either before or after the ball is declared dead.

g) Make any contact with an opponent which is deemed unnecessary of any nature including using fists, locked hands, elbows or any part of the forearm or hand, except according to Rule.
h) Deliberately drive or run into a defensive player.
i) Clip an opponent.
j) Position himself/herself on the shoulders or body of a teammate or opponent to gain an advantage.
k) Tackle the runner by grasping or encircling with the hand(s) or arm(s) and taking the opponent toward the ground as in tackle football.
l) Be in the restricted area (within 2 yards of the sideline) and cause unintentional contact with a game official (nonplayers only).

Penalty: 10 yards - flagrant offenders will be disqualified.

Article 2. Roughing the Passer.
Defensive players must make a definite effort to avoid charging into a passer after it is clear the ball has been thrown. No defensive player shall contact the passer who is standing still or fading back as he/she is considered out of the play after the pass. If the rusher contacts the passer's hand or arm, whether or not he/she touches the pass, it is roughing the passer. Roughing the passer restrictions end if the forward pass is thrown from beyond Team A's scrimmage line (first ball spotter). Penalty: Roughing the Passer, 10 yards, automatic first down. NOTE: Roughness by an opponent beyond the scrimmage line could be illegal contact against a player who throws an illegal pass beyond the scrimmage line.

Article 3. Offensive Screen Blocking.
The offensive screen block shall take place without contact. The screen blocker shall have his/her hands and arms at his/her side or behind his/her back. Any use of the hands, arms, elbows, legs, or body to initiate contact during an offensive player's screen block is illegal. A blocker may use his/her hand or arm to break a fall or to retain his/her balance. A player must be on his/her feet before, during, and after screen blocking. Penalty: Personal Foul, 10 yards.

A player who screens shall not:
a) When he/she is behind a stationary opponent, take a position closer than a normal step from him or her.
b) When he/she assumes a position at the side or in front of a stationary opponent, make contact with him/her.
c) Take a position so close to a moving opponent that this opponent cannot avoid contact by stopping or changing direction. The speed of the player to be screened will determine where the screener may take his/her stationary position. This position will vary and may be one or two normal steps or strides from the opponent.
d) After assuming his/her legal screening position, move to maintain it, unless he/she moves in the same direction and path of his/her opponent. If the screener violates any of these provisions and contact results, he/she has committed a personal foul. Penalty: 10 yards.

Teammates of a runner or passer may interfere for him/her by screen blocking but shall not use interlocked interference by grasping or encircling one another in any manner. Penalty: Personal Foul, 10 yards.

Article 4. Use of Hands or Arms by the Defense.
Defensive players must go around the offensive player's screen block. The arms may not be used as a wedge, even if there is no holding or aggressive pushing. The application of this rule depends entirely on the judgment of the official(s). A blocker may use his/her arms or hands to break a fall or retain his/her balance. Penalty: Personal Foul, 10 yards.

Section 4. Runner
Article 1. Flag Belt Removal.
There are some tenets or basic rules which are established for flag football because of legal and illegal removal of the flag belt. These follow:

a) Players must have possession of the ball before they can be legally deflagged by an opponent.

b) When a runner loses his/her flag belt either accidentally, inadvertently (not removed by grabbing or pulling), or on purpose, play continues. The deflagging reverts to a one-hand tag by an opponent of the runner between the shoulders and knees (including hands and knees).

c) In circumstances where a flag belt is removed illegally, play should continue with the option of the penalty or the play. **Penalty:** Personal Foul, 10 yards or Pass Interference, 10 yards and an automatic first down.

d) Defensive player intentionally pulling a flag belt from an offensive player without the ball is illegal. **Penalty:** Personal Foul, 10 yards.

e) Tampering with the flag belt in any way to gain an advantage including tying knots, using foreign materials, or other such acts is illegal. **Penalty:** Unsportsmanlike Conduct, 10 yards from the previous spot, and player disqualification. If by Team A, loss of down. If by team B, automatic first down.

---

**Article 2. Guarding the Flag Belt.**

Runners shall not flag guard by using their hands, arms, or the ball to cause contact between the runner and an opponent that denies the opportunity for an opponent to pull or remove the flag belt. Flag guarding includes:

a) Swinging the hand or arm over the flag belt to prevent an opponent from deflagging.

b) Placing the ball in possession over the flag belt to prevent an opponent from deflagging.

c) Lowering the shoulders in such a manner which places the arm over the flag belt to prevent an opponent from deflagging. **Penalty:** Flag Guarding, 10 yards.

**Article 3. Stiff Arm.**

The runner shall be prohibited from contacting an opponent with extended hand or arm. This includes the use of a "stiff arm" extended to ward off an opponent attempting to deflag/tag. **Penalty:** Personal Foul, 10 yards.

**Article 4. Helping the Runner.**

The ball carrier shall not grasp a teammate or be grasped, pulled, or pushed by a teammate. **Penalty:** Helping Runner, 5 yards.

**Article 5. Obstruction of Runner.**

The defensive player shall not hold, grasp, or obstruct the forward progress of a ball carrier when in the act of removing the flag belt. **Penalty:** Personal Foul 10 yards.

**Article 6. Charge.**

A runner shall not charge into nor contact an opponent in his/her path nor attempt to run between two opponents or between an opponent and a sideline, unless space is such as to provide a reasonable chance for him/her to go through without contact. If a runner in his/her progress has established a straight-line path, he/she may not be crowded out of that path, but if an opponent is able to legally establish a defensive position in that path, the runner must avoid contact by changing direction. **Penalty:** Personal Foul, 10 yards.

---

**Section 5. Batting and Kicking**

**Article 1. Batting a Loose Ball.**
Players shall not bat a loose ball other than a pass or fumble in flight. A backward pass in flight shall not be batted forward by the passing team. A ball in player possession shall not be batted forward by a player of the team in possession. Exception: The kicking team may bat an airborne punt beyond the Team A Scrimmage line toward their own goal line. *Penalty: Illegal Batting, 10 yards.*

**Article 2. Batting a Ball in Player Possession.**
A ball in player possession shall not be batted forward by a player of the team in possession. *Penalty: Illegal Batting, 10 yards (S31).*

**Article 3. Illegal Kicking.**
No player shall intentionally kick a ball other than as a punt. NOTE: An illegal kick should be treated as a fumble *Penalty: Illegal Kicking, 10 yards.*

**Section 8. Illegal Participation**

**Article 1. It is Illegal Participation:**

a) To have 8 (co-rec 9) or more players participating at the snap.

b) To have more than the legal number of males or females participating at the snap (Corec Rule).

c) If an injured player is not replaced for at least one down; unless the halftime or overtime intermission occurs.

d) To use a player, replaced player, or substitute in a substitution or pretend substitution to deceive opponents at or immediately before the snap.

e) For a disqualified player to reenter the game.

f) For a replaced player or substitute to hinder an opponent, touch the ball, influence the play, or otherwise participate.

g) If prior to a change of possession, an A or K player goes out-of-bounds and returns inbounds during the down to participate, unless blocked out-of-bounds by an opponent. If a player is blocked out-of-bounds by an opponent and returns inbounds during the down, he/she shall return at the first opportunity. During the down no player shall intentionally go out-of-bounds and return to the field, intentionally touch the ball, influence the play, or otherwise participate.

h) When any player, replaced player, or substitute enters during a down.

*Penalty: Illegal participation, 10 yards.*

**RULE 10. ENFORCEMENT OF PENALTIES**

**Section 1. Procedure After a Foul**

**Article 1. Definitions.**
A foul is a rule infraction for which a penalty is prescribed. Types of fouls are:

a) Dead Ball- A foul which occurs in the time interval after a down has ended and before the ball is next snapped.

b) Live Ball- A foul which occurs during a down.

c) Simultaneous with the Snap- An act which becomes a foul when the ball is snapped.

**Article 2. Captain's Choice.**
When a foul occurs during a live ball, the Referee shall, at the end of the down, notify the offended captain of his/her options. If the penalty is declined or there is a double foul, there is no loss of distance. The distance penalty for any foul may be declined. A captain's first choice of any option may not be revoked.

**Article 3. Dead Ball Foul.**
When a foul occurs during a dead ball either between downs or before a snap, the officials shall not permit the ball to become alive. The penalty for any foul between
downs, any non-player foul, or any unsportsmanlike foul, is enforced from the succeeding spot. If a dead ball foul occurs after the last play of any half, the penalty shall be measured from the succeeding spot. The succeeding spot is where the ball would next be snapped if a foul had not occurred.

Article 4. Live Ball/Dead Ball Foul.
When a live ball foul is followed by a dead ball foul by the opponent, the penalties are administered separately and in the order of occurrence. When the same team commits a live ball foul followed by one or more dead ball fouls, all fouls may be penalized.

Article 5. Establish Zone Line-to-Gain.
a) On a live ball foul mark off the penalty yardage first, then establish the zone line-to-gain.
b) Penalties for fouls with succeeding spot enforcement which occur prior to the ready for play signal shall be administered before setting the zone line-to-gain for a new series.
c) Penalties for fouls with succeeding spot enforcement which occur after the ready for play signal shall be administered after setting the zone line-to-gain for a new series.

| Play | Third and 2 on A 18. A-2 runs to the A 26. (a) A-2 flag guards at the A 25 and is deflagged at the A 35; or (b) A-2 is deflagged at the A 26. The Referee calls an unsportsmanlike conduct foul on A-2 prior to the ready for play signal. Ruling. (a) Penalize Team A 10 yards for flag guarding, A's ball third and 5 on A 15. (b) Penalize Team A 10 yards for the dead ball foul from the A 26, third and 4 on A 16. The zone line-to-gain has not been reached legally. |

Section 2. Types of Play and Basic Enforcement Spots

Article 1. Live Ball Fouls.
Any live ball foul is penalized according to the all-but-one enforcement principle except:
a) A foul which occurs simultaneously with a snap penalize at the previous spot.
b) Non-player foul, unsportsmanlike foul, dead ball foul, penalize at the succeeding spot.
c) **A foul by K during a punting down (other than Kick Catching Interference or Illegally Consuming Time) may be penalized from the succeeding spot, at R's option, when K will not be next to put the ball in play.**

Article 2. The All-But-One Enforcement Principle.
Enforcement philosophy is based on the fact that a team is given the advantage of the distance which is gained without assistance of a foul. It is assumed that the only foul which would give this aid is a foul by the offense behind the basic spot. Therefore, all fouls but this one, that is a foul by the offense behind the basic spot, are penalized from the basic spot.

Article 3. Two Types of Plays.
Whenever the ball is alive, 1 of 2 types of plays is in progress, either a loose ball play or a running play. The type of play has no significance unless a foul occurs. If a foul does occur, the officials must know whether it was during a loose ball play or during a running play. This determines the basic spot of enforcement.

Article 4. Loose Ball Play.
A loose ball play is action during:
a) A punt, other than post-scrimmage kick fouls
b) A legal forward pass
c) A backward pass, including the snap, a fumble made by A from on or behind his/her scrimmage line is a loose ball foul.
d) It includes the run which precedes a legal pass, punt, or fumble.
NOTE: When a foul occurs during a loose ball play, the basic enforcement spot is the previous spot, either the spot of the snap. **Exception 1: The penalty for roughing the passer on a completed forward pass will be enforced from the**
end of the last run when the run ends beyond Team A’s scrimmage line and no change of possession has occurred. Exception 2: A post scrimmage kick (PSK) foul is an R foul that occurs on R’s side of the neutral zone prior to the end of the kick during a punt that ends beyond the neutral zone and K does not have possession of the ball when the kick ends. The PSK spot is the spot where the kick ends. R retains the ball after penalty enforcement from the PSK spot when a PSK foul occurs. R fouls behind the PSK spot are spot fouls. The spot where the kick ends is R’s 14 if the kick ends in R’s end zone. Exception 3: Kick catching interference, 10 yards from the spot of the foul and a 1st down.

Article 5. Running Play.
A running play is any action which is not a loose ball play.
a) Behind the line includes:
   1. A run which is not followed by a loose ball behind the line.
   2. A run which is followed by an illegal pass from behind the line.
b) Where the player loses possession if his/her run is followed by his/her fumble into the opponent’s end zone or backward pass beyond the scrimmage line is intercepted.

If a foul occurs during a running play, the basic enforcement spot is the spot where the related run ends:
a) Where the ball becomes dead if the runner does not lose possession.
b) Where the player loses possession if his/her run is followed by his/her fumble or pass.
c) At the spot of the catch where the momentum rule is in effect.

Play. Third and 2 on A 38. QB A-1 runs two yards beyond the Team A scrimmage line and throws an illegal forward pass from the 40-yard line. Ruling. Fourth and 5 on A 35. All illegal forward passes are treated as running plays. Penalize from the spot of the pass where the run has ended.

Section 3. Special Enforcements

Article 1. Half the Distance.
A measurement cannot take the ball more than half the distance from the enforcement spot to the offending team’s goal line. If the penalty is greater than this, the ball is placed halfway from the enforcement spot to the goal line.

Article 2. Safety/Goal Line.
If the offensive team throws an illegal forward pass from its end zone or commits any other foul on or behind its goal line for which the penalty is accepted, it is a safety. The goal line is the enforcement spot for fouls by the defense, when the offensive team’s run ends in their end zone. For a defensive team foul, if the enforcement spot which is the basic spot, is on or behind the offended team’s goal line any measurement is from the succeeding spot. Note: see rule 10-3-8 for enforcement of fouls after change of possession during a try or overtime.

Play. Team B intercepts a pass in their own end zone. Team A commits an illegal contact foul, and team B then is deflagged/tagged. Ruling. Option for Team B: decline the illegal contact foul and accept a touchback, first and 6 on the 14, or accept the illegal contact foul and it will be first and 16 on B 24, measured from the succeeding spot, the B 14.

Article 3. Disqualified Player.
A disqualified player must always leave the game immediately.

Article 4. Forfeiture of Game.
An Intramural Sports Staff Assistant may forfeit any game. Their decision to do so is final.

Article 5. Touchdown – Foul During
A. If there is a foul by the offensive team, other than unsportsmanlike or nonplayer, during a down which results in a successful touchdown, or try, the acceptance of the penalty nullifies the score.

B. If an opponent of the scoring team commits a foul (other than unsportsmanlike or nonplayer) during a down in which a touchdown is scored, and there was not a change of possession during the down, A may accept the results of the play and then choose to have the foul enforced either on the Try, or after the Try, at the succeeding spot.

C. If an opponent of the scoring team commits a foul (other than unsportsmanlike or nonplayer) during a down in which a touchdown is scored, and there was a change of possession during the down, and such foul occurs after the change of possession, the scoring team may accept the results of the play and then choose to have the foul enforced either on the Try, or after the Try, at the succeeding spot.

D. If either team commits an unsportsmanlike or nonplayer foul during the down in which a touchdown is scored, the opponent may accept the results of the play and then choose to have the foul enforced either on the Try, or after the Try, at the succeeding spot.

NOTE: In B, C, and D above, unless moved by penalty, the succeeding spot will be the 14 yard line or the 10 yard line in overtime.

Article 6. Foul Prior to a Try.
If after a touchdown and prior to the initial ready for play signal for the Try, either team commits any foul for which the basic spot of penalty enforcement is the succeeding spot (Try), the offended team may have the penalty enforced from the succeeding spot (Try), or after the Try, at the 14 yard line.

Play. QB A-1 scores a touchdown and then spikes the ball. RULING. The touchdown counts. Initially the Referee will ask the B captain whether he/she wants the unsportsmanlike foul on either the Try or the succeeding spot. Then the Referee will ask the A captain whether he/she wants to go for a 1, 2, or 3 point Try. Once the Team A Captain makes a decision, penalize Team A 10 yards on the Try from the 3, 10, or 20 yard line, if B chose that option.

Article 7. Fouls during a try or overtime after Team B possession.
Live ball fouls committed by either team after team B gains possession during a try or an overtime shall be enforced from the succeeding spot. If there are offsetting fouls whether on or both occur after team B possession, the down is not replayed. The fouls offset at the succeeding spot. Any scores are cancelled.

Article 8. Double Fouls.
When both teams commit live ball fouls during the same live ball period and a) there is no change of team possession, or b) there was a change of team possession and the team in possession at the end of the down had fouled prior to final change of possession, or c) there is a change of possession and the team in final possession accepts the penalty for its opponents foul, it is a double foul. In a), b) and c) the penalties cancel and the down is replayed.

Article 9. Multiple Live Ball Fouls.
When two or more live ball fouls (other than unsportsmanlike or nonplayer) are committed by the same team during the same down, only one penalty may be chosen. In such cases, the penalty/penalties for the unsportsmanlike conduct is administered from the succeeding spot as a dead ball foul.

Article 10. Multiple Dead Ball Fouls.
Penalties for dead ball fouls are administered separately and in order of occurrence. Dead ball fouls are not coupled with live ball fouls or other dead ball fouls to create double or multiple fouls. If the same number of dead ball fouls are committed by both teams, and the order of occurrence cannot be determined, they will offset.
Penalize all unsportsmanlike fouls separately and in addition to those occurring during a down by the same team.

**Article 11. Loss of Down Fouls.**
Fouls which include loss of down are those where Team A loses its right to repeat the down as:

a) Illegal forward or backwards pass by Team A;
b) Forward pass interference by Team A;
c) Illegally secured flag belt.

**Article 12. Automatic First Down Fouls.**
Fouls by Team B which give Team A an automatic first down are:

a) Roughing the passer who has thrown from behind the Team A scrimmage line
b) An illegally secured flag belt.

**Article 13. Fouls During or After Last Play of Period.**
Succeeding spot fouls that occur: (A) during the last play of the game; (B) during the last play of an overtime period; or (C) dead ball fouls which occur after the last play of a game or overtime period. These fouls can be carried over to overtime, unless a touchdown is scored on that play, in which case the penalty can only be enforced on the Try.

**Article 14. Fouls by K During Punts.**

**Male to Male Completion and Illegal Forward Pass:**

a) The term "closed" means a male player may not throw a forward pass completion to any other male player. The term "open" means any player can complete a forward pass to any other player.

b) If the crew of officials erroneously indicate the "open/closed" status of a down, the play is nullified and the down will be repeated.

c) During the offensive team's possession there may not be 2 consecutive forward pass completions from a male passer to a male receiver. This rule also applies to the try.

d) If a male passer completes a legal forward pass to a male receiver, the next legal forward pass completion must involve either a female passer or a female receiver **for positive yards.**

The spot where the ball becomes dead by Rule must be beyond the Team A scrimmage line. There is no foul for a female receiver being tagged or deflagged behind the Team A scrimmage line. The next legal forward pass completion remains "closed."

e) There are no restrictions concerning a male passer completing legal forward passes to a female receiver, or female to female, or female to male.

f) Any foul, whether accepted or declined, shall have no effect on whether the next pass completion is "open" or "closed."

g) A legal forward pass caught jointly by male and female teammates is considered a female reception.

h) If a female passer completes a forward pass to a male receiver behind the team A scrimmage line and the male receiver runs beyond the scrimmage line. **Penalty: Illegal Male Reception, 5 yards from previous spot, and a loss of down.**

**Illegal Forward Pass.** If a female passer completes a forward pass to a male receiver behind the A scrimmage line (1st ball spotter – orange) on either an "open" or "closed" play, and any A male runs beyond this scrimmage line, it is an illegal forward pass.

**Mercy Rule.** If a team is 25 or more points ahead when the Referee announces the 2 minute warning for the 2nd half, or anytime thereafter, the game shall be over.

**Touchdown Value.** All touchdown point values are 6.

<th>Play</th>
<th>Second and 7 on A 13. This down is &quot;closed&quot;. Male A-1 completes a forward pass to female A-2 to the A 19. After the catch A-2 guards her flag belt at the A 22. <strong>Ruling.</strong> If accepted, enforce guarding the flag belt, 10 yards from the spot of the foul. It would be A's ball second and 8 on the A 12. All fouls carry their usual enforcement. The next play will be &quot;open&quot; since there was a male to female forward pass completion, and the ball became dead beyond the Team A's scrimmage line. Whether the foul is accepted or declined has no effect on &quot;open&quot; or &quot;closed&quot; restrictions. <strong>Play.</strong> Second and 15 on A 25. The down is &quot;closed&quot; - the last forward pass completion was male to male. a) Male A-1 throws a forward pass caught by female A-2 at the A 23. Female A-2 runs to the A 26 and is deflagged; or b) Same play, except Female A-2 is deflagged at the A 24. <strong>Ruling.</strong> a) The next play is &quot;open&quot;. Team A may legally throw a male to male forward pass completion. Team A gained positive yards. In b) there is not a foul. The next play is still &quot;closed&quot;-Team A may not legally throw a male to male pass completion. Team A did not gain positive yards. The dead ball spot was behind the Team A scrimmage line.</th>
