Trip Overview

If you need a quick escape from the city, come with us for a day of hiking around Platte River State Park. With 14 miles of trails to explore, this area offers a chance to relax for a day and unwind from the week. Check out scenic views of the Platte River as you hike along dirt, tree-covered trails! Lunch will be provided along with pleasant conversation and a great group of fellow hikers.

Location Overview

Come join us on some of the 14 miles of Platte River State Park. We will hike through dense woodlands and alongside Rock Creek and the Platte River. Named after one of Nebraska's major rivers and major watersheds in the Great Plains, the Platte River provides water for crops, cattle, wildlife, residents and outdoor enthusiasts alike. The park is a convergence point for numerous ecosystems, including eastern hardwood forests, tall-grass prairie, and sandy floodplains. We'll spend time on the trails, exploring the woodlands, small waterfalls, an 85-foot observation tower and hopefully catching glimpses of wildlife along the way.

All Skill Levels Welcome

If you're new to hiking, no problem. Be ready to learn. If you're an experienced hiker, that's great too. Be ready to challenge yourself in new ways.
