Trip Overview

Discover some of the best rock climbing in the Southeast—the secluded and steep bluffs of the Ozarks. The Arkansas climbing scene offers a unique selection of bouldering and varied sport climbing. Take in the beautiful views complete with rolling hills, rocky outcrops and changing fall colors while we find climbs for all skill ranges. This trip is a great introduction to the sport of rock climbing and will satisfy both beginning and experienced climbers.

Location Overview

Sam's Throne offers climbing for all skill levels, with routes that range from 5.7 to the 5.10 range. Gorgeous rock faces loom over an exposed ridge that overlooks dense pine trees. Considered one of the classic and best climbing spots in the Ozarks, you'll be able to enjoy fun and challenging climbs. We'll celebrate at the end of the day with great meals and conversation together.

All Skill Levels Welcome

If you're new to climbing, no problem. Be ready to learn. If you're an experienced climber, that's great too. Be ready to challenge yourself in new ways. Know that this trip is physically demanding, however we strive to make the outdoors accessible for all. Contact us if you have any questions about your specific needs.
